COMMUNICATION FROM CITY PLAN COMMISSION

February 1, 1967

Common Council of the
City of Fort Wayne
City Hall
Fort Wayne, Indiana

Gentlemen and Mrs. Fay:

At the regular meeting of the Common Council held January 10, 1967, an ordinance proposing to annex territory to the City of Fort Wayne was introduced and referred to the City Plan Commission for study and recommendation. Such proposed ordinance was designated as Bill No. X-67-01-10.

Transmitted herewith is a report of the City Plan Commission as formulated at its regular meeting held January 23, 1967. It is the considered opinion of the City Plan Commission that the area does meet the criteria for annexation for the following reasons:

1. At the present time the area proposed to be annexed is contiguous to the present city limits for a distance of one (1) mile along the east side of the area to be annexed and one-half (1/2) mile along the south side of the area to be annexed.
2. Several of the commercial uses along the south portion of the area proposed to be annexed presently have city water and city sewer. Also, Engine House #13, located on U. S. #30 Bypass approximately one-half (1/2) mile east of the area proposed to be annexed, could adequately serve the area without any additional personnel or equipment.
3. Since most of the area is presently developed as commercial and/or industrial uses, it is generating considerable traffic which necessarily has to utilize existing city streets in order to gain access to the area; consequently, the area is contributing to the street problems of the City of Fort Wayne but yet contributing nothing to its support or maintenance.
4. Based upon the anticipated revenues and compared to anticipated expenses, there would be no deficit of income to the city and, in fact, there would be a net income after the second year which would allow the city to make some needed capital improvements in the area.

Based upon the above reasons, it is the recommendation of this Plan Commission that the proposed ordinance does meet the criteria for

February 1, 1967

annexation and that the ordinance be returned to the Common Council with the recommendation that it DO PASS. It is further recommended that this ordinance be so enacted so as to become effective as soon as possible.

Respectfully submitted,

CITY PLAN COMMISSION

William J. Jones
Director of Planning
